

POLICY MEMORANDUM

No. I-28

Individuals with Disabilities

Purpose and Philosophy

The Missouri University of Science and Technology is committed to providing: (a) educational opportunities for all academically qualified students; (2) employment opportunities for qualified individuals for faculty and staff positions; and (3) reasonable accommodations to ensure equitable access to its programs and services for individuals with disabilities.

A qualified person with a disability: (1a) has a physical or mental impairment which substantially affects major life activities; (1b) has an infectious or contagious disease; (1c) is recovering from an alcohol or other drug dependency; (1d) has a record of or is regarded as having such an impairment; and, (2a) meets the academic and technical requisites for admission to or participation in the University's educational programs; or (2b) meets the qualification criteria for employment in faculty or staff positions.
